

Golf Ball Printer Multifunction Printing Machine**\$1200-1900****Golf Ball Printer – Compact Precision for Custom Golf Accessories**

The Golf Ball Printer is a specialized UV printing solution engineered for high-precision, full-color printing directly on spherical items like golf balls, ping pong balls, and other small round objects. Designed with a rotary fixture and adjustable bed, it offers consistent, distortion-free printing even on curved surfaces.

With support for CMYK and white ink, this printer can deliver vibrant, sharp graphics on both light and dark-colored balls. Instant UV LED curing ensures each print is dry, scratch-resistant, and ready for immediate use or packaging. It's ideal for personalized gift shops, sports branding, event merchandise, or promotional product businesses.

Despite its compact size, the Golf Ball Printer delivers industrial-grade output, making it a smart investment for small studios and print-on-demand entrepreneurs. Easy setup and straightforward operation let users get started with minimal training.

**Key Highlights:**

- **Designed for Golf Balls:** Rotary fixture ensures stable rotation and perfect alignment
- **Full-Color UV Printing:** Supports color + white ink for rich, detailed designs
- **Instant Drying:** UV LED curing for scratch-resistant, durable prints
- **Small Footprint:** Compact body ideal for desktops or tight spaces
- **Versatile Applications:** Suitable for golf balls, ping pong balls, and similar items
- **Low Ink Consumption:** Efficient system designed for economical operation

Enhance your custom printing business with the Golf Ball Printer—precision-engineered for those who aim to make small products stand out in a big way.

Key Features

1. Full automatic adjustment tray with with Vacuum Platform
2. Support printing 6-18pcs golf ball at same time(different size printer option)
3. 13 Years experience factory, stable quality and best price

5.Suppot Varnish ink and White ink

6.CISS ink supply system with White ink Stirring System

Model Number:F60V4/F85V4

Ink Type:LED UV-Ink

Printer Head:EPSON L805 or advanced XP600 head

Ink Color:CMYK+WW or CMYK + White + Varnish

Print Size: 22*33CM

Print Thickness:Flat: 0-15CM / Cylinder:Diameter 2-11CM

Advantage:High Resolution,Precise Positioning,Full Automatic adjustment for print height

Print Technology :LED UV Lamp Cured,Smart Bidirectional Printing,Auto Nozzle checking,Auto Nozzles cleaning system,Smart size of ink droplet

Protection:Full Automatic for the tray height and adjustment,easy protection for the head

Height Adjustment:Full Automatic

Print Speed: About 178 seconds/A4 Size Photo Image(Photo grade)

Print Weight:0-10KG

Ink Assistant:Directly insert ink tube to ink bottle

Tray: Metal Tray with Vacuum Platform

Working Condition:Temperature:15°C-30°C,Humidity 40%-70%

Print Software: Acro RIP Software

Connection:USB2.0/1.1/3.0 Port

Power Require:110-240V,Around 60W

Image Format: TIFF(RGB&CMYK),BMP,PDF,EPS,JPEG,JPG Etc.

Computer Sys:Windows 7-11

Printer Weight:32kg(48KG with package) Printer Size:61*51*51CM

Package Size:68*58*56CM

Application: Suit for printing on golf ball,ping pong ball ,customize image on various of products
