

Portable PrintPen Edible Food & Drinks Printer

\$229-299

Bring Your Food to Life with the Food-Grade PrintPen

Turn everyday food into delightful, personalized creations with the Food-Grade PrintPen, a revolutionary portable food printer that combines technology and creativity. Whether you're celebrating a holiday, running a café, or simply adding flair to your culinary creations, this edible ink printer helps you stand out with ease.

Festive Creativity Made Simple

From Easter eggs and cookies to cakes and coffee, the PrintPen makes it easy to decorate with precision. Simply connect via Bluetooth, load your design in the app, and print directly onto the surface of food or drinks. Create festive messages, drawings, logos, or custom patterns in seconds.

EASTER EGGS

Add festive greetings to colorful Easter eggs, transforming each one into a unique piece of art. Perfect for egg hunts or table decorations!

ICE CREAM

Print logos or festive greetings on the creamy white surface, turning your dessert into a delightful statement!

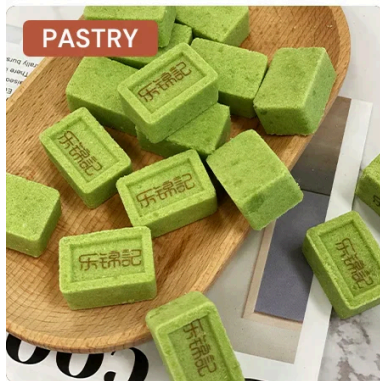

PASTRIES & BRUNCH

Customize macarons and cookies with intricate designs, turning simple treats into delightful works of art. Even an ordinary brunch transforms into an elegant affair with these personalized touches.

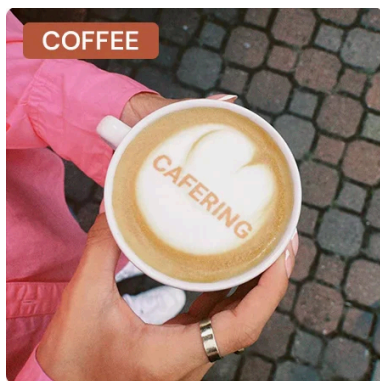

Personalized Food & Beverage Design

Whether you're printing on coffee foam, yogurt, cocktails, macarons, or fondant, this device brings your imagination to life. Using safe, high-quality edible ink, the PrintPen ensures your designs are visually impressive without compromising flavor.

Perfect for Business & Events

Ideal for coffee shops, bakeries, bars, restaurants, or event planners, the PrintPen enhances product presentation and strengthens branding. Add custom logos, messages, or QR codes to your drinks and treats to leave a lasting impression on customers or guests.

Supports Multi-Language Customization

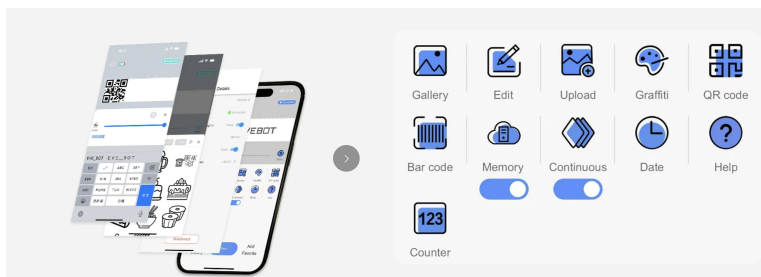

Our user-friendly app supports text input in any language and allows for

full logo/image upload. Whether you're creating messages in English, Chinese, Arabic, or Spanish, PrintPen meets your local and international customization needs with ease.

Small Batch Customization Made Easy

Designed for flexible, low-volume production, the PrintPen helps small businesses and entrepreneurs meet their short-run customization needs. From brand identity to holiday greetings, PrintPen handles it all without complicated setup.
